paign.   The glorious history of Saigon has enriched the epic of nation building and nation safeguarding written by the staunch Saigonese in particular and the Vietnamese people in general. History turned to a new page after the end of the war. "Sai Gon" was renamed "Ho Chi Minh City" in July 1976, and a new era ushered in the era of building up a new society in the pursuit of "a wealthy people, a strong country, a just, democratic, and advanced society."
